Interpretation of D24 Chart – 1/3

- Strong lagna of D24 is necessary for education.
- Strongest planet in D24 is the decisive factor to know the education stream one should pursue. If no planet qualifies as strongest, then planet influencing the lagna / lord will decide the stream of education.
- Benefic planets give non technical education while malefic planets involved favour technical education.
- Jupiter aspecting the 9th house is responsible for deeper researches in the subject.
- Main significator of education are Mercury and Jupiter. Mercury denotes intelligence, retentive power, quest for learning and oratory. Jupiter stands for wisdom. Similarly Mars is for logic and Saturn is for deep thinking and research .
- 3rd, 9th and 12th house give education other than at birth place. Therefore strong association of these houses with ascendant makes the native travel for education.
- Placement of 10th lord of D1 in D24 shows the professional use of education.
- Mercury if placed in movable signs in D24 indicates that native will be capable of thinking very fast and arrive at conclusions instantly. Placement of Mars in the signs of Mercury further enhances this quality.

Interpretation of D24 Chart – 2/3

- If 4th lord of lagna chart is situated in signs of Mercury, there is strong possibility of native going for good education. Placement of 9th lord of D1 in sign of mercury is also responsible for higher education.
- If there is association of lords of angular and trine house in D24, native will have education in an “application oriented” field like engineering or technology.
- Planets in the 11th house of D24 are to be examined carefully. If natural benefic are associated, good education is assured. The native is also likely to acquire educational / professional qualification from a reputed and prestigious institution.
- Placement of Rahu / Ketu in lagna or 5th house without having benefic influence are detrimental to formal education.
- If Moon is placed in fixed sign in D24, there is stability of mind and has focused mind while studying . These natives have patience which is desirable in studies. However if Moon is not placed in fixed signs, the native may not pursue studies with full concentration.
- Sun is source of knowledge. Placement of Sun in lagna or 5th house makes the native very knowledgeable. The placement of Sun will indicate the source of knowledge. If Sun is in 9th house, the knowledge will be from higher education. If there is influence of Rahu over Sun, native may gain knowledge from foreign countries or studies may be influenced by foreign culture.

Interpretation of D24 Chart – 3/3

- 3rd house is 12th from 4th which is house of formal education. Therefore 3rd house can disrupt education if operating dasa lord is in anyway related to 3rd house.
- 10th house is 2nd from 9th and therefore marak sthan for higher education. Therefore 10th house may indicate termination of higher studies or beginning of new profession.
