- If planet is female and placed in female sign – Female progeny

D7

# Chart 9 – Analysis 1/2

This female got married in 1984.

- In D1, 5<sup>th</sup> house is afflicted by aspect of Mars. It also has very good aspect of Jupiter which promises progeny but here Jupiter is weak(debilitated).
- 5<sup>th</sup> lord Venus is debilitated although there is cancellation of debilitation due to conjunction of Venus with Mercury.
- Jupiter also aspects 5<sup>th</sup> lord Venus posited in 9<sup>th</sup> house.
- In D7, 5<sup>th</sup> house is without any aspect.
- 5<sup>th</sup> lord in D7 is in the worst possible position in the 8<sup>th</sup> house with the 3<sup>rd</sup> and 12<sup>th</sup> lord Jupiter and Rahu.
- The child giving planets here are Venus, Mercury, Jupiter and Mars in the birth chart; in D7 Venus, Jupiter, Rahu, Mercury (9<sup>th</sup> lord )and Saturn (aspecting 9<sup>th</sup> house)
- She got married at the end of Venus-Rahu dasha. Thereafter next few antardashas were of Jupiter, Saturn and Mercury. All these three antardashas saw her conceive, deliver two dead babies and suffer two miscarriages.
- Transit of Saturn during this period was through Scorpio and Sagittarius from where it aspected 7<sup>th</sup> house and 7<sup>th</sup> lord respectively. Jupiter too moved fast covering child producing houses and planets repeatedly.

# Chart 9 – Analysis 2/2

Background of her : She came from orthodox semi rural background. She had this belief that it is a misfortune for a lady not to have a child in 9 years (in 1993) of her married life. The taunts of women of her village added to her misery. No doctor is able to cure.

Now see the special weakness in this horoscope:

- 5<sup>th</sup> lord Venus well placed in 9<sup>th</sup> house with Mercury and aspected by Jupiter was not a hinderance to her conceiving. Her children did not survive.
- Three debilitated planets, Sun, Jupiter and Venus have given her neither mental resistance nor physical endurance. She faints and has to be hospitalized frequently.
- The significator of progeny – Jupiter is not only debilitated but has double affliction due to Saturn and Mars. This has reduced Jupiter's protective beneficence. Jupiter fulfills the promise of giving children but is unable to protect them, long enough even in the womb of this woman.
- A glance at the D9 offers no relief. The eighth lord Mars aspects both the fifth house and fifth lord.
