WHICH DATE TO BE SELECTED

The dob which is currently in use should be used in calculation and prediction

If original dob is not available then we have to use current dob which we are using

If we are using two dob simultaneously then we have to do blending of predictions

If we have two dob which we use maximum may also be used or use the one which we use at official level

WHICH NAME TO BE SELECTED

In case of multiple names we have multiple vibrations

So the people will show different personalities with every name and DOB

Multiple names and DOB come under karmik debt and karmic baggage

So it is advised to use only one name throughout life to have for single journey process and to energise the same

When we get initiated by a guru and after marriage people change their name to start a new journey and make a new personality

When a person is not having original dob

His immediate karma will have the major impact

We face the karma of thing that we are living with

So the dob we are using will impact us most as it is attached to our aura, personality and physique

So current dob is most relevant
