# THE HIDDEN SYMBOLS

The Tarot cards are an enigma, they are the windows

into the life and situation of anyone. Apart from the actual spread of cards. Each individual card is packed with the hidden symbols that can help the reader gain a deeper insight into the life of client. Here is a list of hidden symbols from traditional Rider Waite deck and some other decks that are based on it.

Every single Tarot Card is filled with hidden symbols, but some of the cards have more symbols than others. Some of the symbols appear with in a card in one deck, but not in others. This will help to develop a deeper understanding of Tarot Cards which will help you both you and sitter.
