# KARMIK NUMBERS

We get karma acc to our D/O/B

Each and every number is having own karmic effects

We get our D/O/B according to our previous samaskaras

Single digit karmic numbers have effects related to that particular numbr only

For compound numbers we have to take each digit and their total

# KARMIK NUMBERS

**Karmik numbers** tells us about

**Life style** which we should have

**Discipline** we should adapt

**Duties** we should understand

**Karmik** debts and repayments

Some numbers are under more influence of karmic debts while some are under less influence

# KARMIK NUMBERS

- Under the influence of these numbers karmic debts are more
- Feel more struggle in life, more friction in life so need to accept and surrender and need to know the true meaning and lessons related to these numbers
- Need to do more hard work
- These numbers have strong influence of past life karmas
- Highly karmic numbers are 11, 16, 26

# SEMI KARMIK NUMBERS

These are the numbers which have *less karmic debts*

There are *struggles and debts* but they *overcome the situation easily*  
*With understanding and acceptance*

Requirement of *optimal hard work* is there and *results* are there

Effects of *past life karmas* are there but have *less impact*

The numbers connected are **13,14,19,21**

# SEMI KARMIK NUMBERS

If karmic numbers appear in *destiny numbers* they will have *full impact throughout life* and will impact us till we don't understand their *karmic influence*

Karmik numbers *influence less* when we understand them and start working on it

Impact of *karmik number* is *minimised* when they appear two times in *core numbers*(psyche,destiny,soul numbers,personality number,ultimate destiny number)

e.g.psyche number and destiny number 11 so impacts will be less.
