# Pushkar Navamsa placements

- Placement in pushkar navamsa enhances the significations of the planet. For ex, Jupiter is the significator of wealth. When Jupiter is in pushkar navamsa and the sign occupied by Jupiter in navamsa falls in kendra or trikona of the birth chart then the person is very wealthy and lucky.
- In case the sign is in 6<sup>th</sup>, 8<sup>th</sup> or 12<sup>th</sup> then along with wealth, it gives disease, bereavement or separation.

# 64<sup>th</sup> Navamsha

- 64<sup>th</sup> Navamsha is one of the most sensitive area in horoscope. It is also called Khara Navamsha.
- 64<sup>th</sup> Navamsha for any planet or ascendant will be same navamsha in the 8<sup>th</sup> sign from it. For ex. If Moon is in Aries 7° i.e. third Navamsha then the 3<sup>rd</sup> navamsha of Scorpio (8<sup>th</sup> sign from Aries) will be 64<sup>th</sup> navamsha i.e. Virgo.
- To ascertain this navamsha, we place the degrees of the planet in the eighth sign from it and workout the navamsha in the eighth sign and for degrees of the planet.
- A very simple way to locate the 64<sup>th</sup> navamsha of a planet is to locate the sign occupied by planet in navamsha chart. The 4<sup>th</sup> sign from it will be 64<sup>th</sup> navamsha.

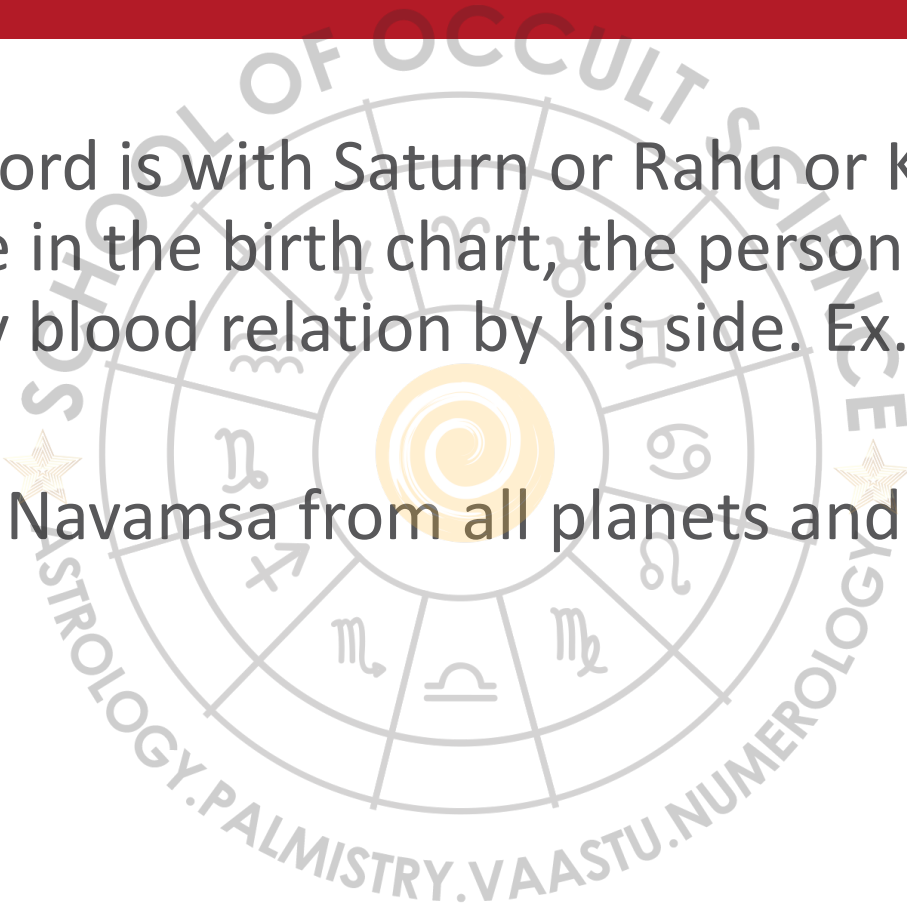

# Predicting from 64<sup>th</sup> Navamsa

- Transit of malefics over 64<sup>th</sup> navamsa gives events which have long lasting effects especially if malefics are placed in this sign.
- When lord of navamsha occupied by moon is inimical, neutral or friendly to the lord of 64<sup>th</sup> navamsha from Moon, the person will have short, medium or long life.
- A malefic placed in the 64<sup>th</sup> navamsa of any planet brings harm to the significations of that planet. In the chart of Mrs Indira Gandhi, Ketu and Saturn are placed in 64<sup>th</sup> navamsa from Venus. Her husband died at a young age.
- When the lord of 22<sup>nd</sup> drekkana and 64<sup>th</sup> navamsa from Moon is same planet and it transits a sign deprived of point (line) in Ashtakvarga then death is unavoidable. If they are different, then both transiting the sensitive point gives death.
- The transit of malefic gives effect when transiting in the eighth house sign and the navamsha sign of 64<sup>th</sup> navamsa and vice versa. Ex 8<sup>th</sup> house is Capricorn and khara navamsa is Virgo, then the event will take place when the malefic transit Capricorn sign and Virgo navamsha or Virgo sign and Capricorn navamsha.
- Transit of slow moving planets including Rahu and Ketu over the sensitive 64<sup>th</sup> navamsa produce events of significant nature. The fast moving planets produce events of small magnitude.

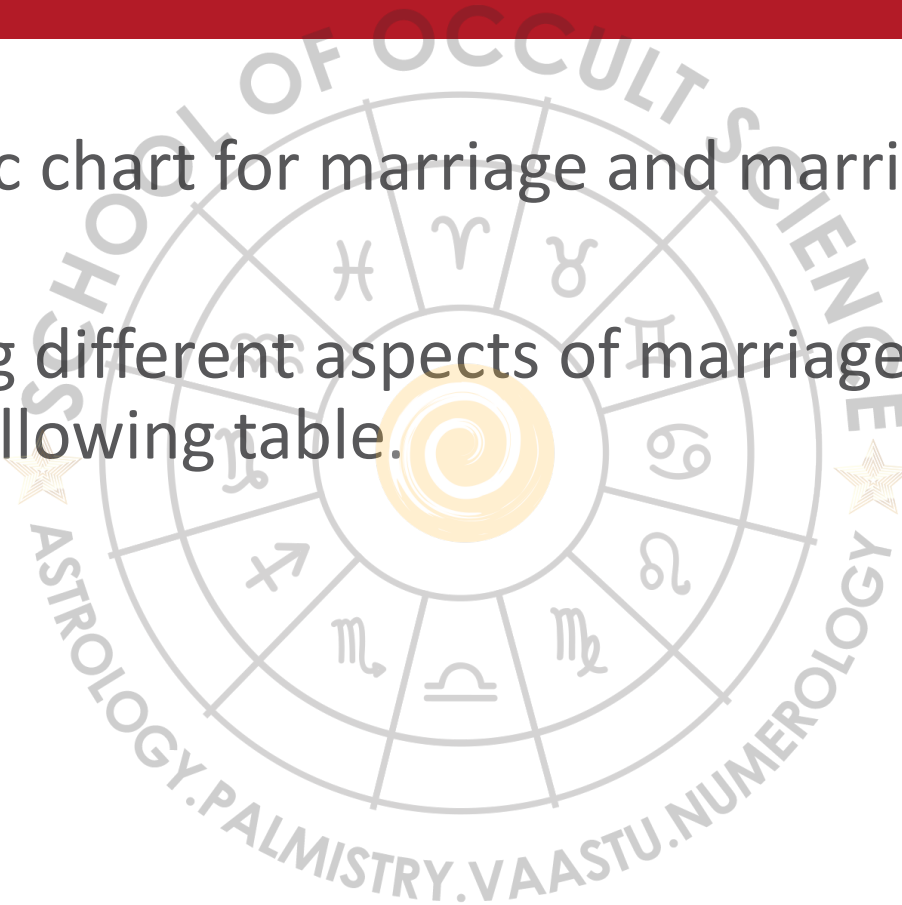

# 64<sup>th</sup> Navamsa ....cont.

- When 64<sup>th</sup> navamsha lord is with Saturn or Rahu or Ketu and is placed in 6<sup>th</sup>, 8<sup>th</sup> or 12<sup>th</sup> house in the birth chart, the person dies a unnatural death and without any blood relation by his side. Ex. Indira Gandhi and Z.A. Bhutto
- We may calculate 64<sup>th</sup> Navamsa from all planets and houses as well.

# Promise or Denial of Marriage

- Lagna of Navamsa is the primary consideration. If the lagna has a benefic or is aspected by benefic then marriage is assured.
- 2<sup>nd</sup> house and 7<sup>th</sup> house are next consideration. These houses should also have benefic association. Association with lord of the house even when malefic is considered good.
- When all three i.e. lagna, second house and seventh house have malefic association then marriage is denied or delayed.
- Another method is to look for the seventh lord / lagna lord of birth chart in navamsa. If these lords are badly placed in 6,8,12 houses from birth lagna and from the sign occupied by it in birth chart or in navamsa, then marriage is denied. When well placed from one of these signs, it gives marriage but with problems in married life.
- Affliction to Venus is also a hindrance to marriage. Venus in strength and well placed in birth chart and navamsa assures marriage.

# Status of spouse

Classical texts compares the strength of lagna lord and the 7<sup>th</sup> lord. If 7<sup>th</sup> lord is more powerful, the spouse is from the higher status.

The rules applicable to D9 chart for getting a spouse from higher status or wealthier are :

1. Relationship between trine and kendra in D9 chart gives spouse from a rich or highly placed background.
2. Placement of 7<sup>th</sup> lord in upachaya house.
3. 7<sup>th</sup> lord is strong and has a benefic association or associated with a planet in strength.

# Caring Spouse

The parameters for loyal life partners as seen in navamsha are :

1. Venus and / or seventh lord have only benefic association.
2. The 7<sup>th</sup> lord is a satvik planet, well placed and have benefic association.
3. Venus and / or 7<sup>th</sup> lord occupies a benefic sign in shashtiamsha D-60
4. Lagna lord of D9 is taken as a benefic.

Absence of these combinations does not mean that the spouse is not of good character. If the spouse takes care of your requirements and looks after you well, is the loyalty.
